## *Hospitality Financial and Technology Professionals (HK SHTM Student Chapter)*

### **Who We are**

*HFTP which is established in 1952, is an international, nonprofit association. Recognized as the spokes group in the financial and technology segment of hospitality industry, HFTP emphasize the networking among its members and stockholders all around the world*

*The HFTP Hong Kong Student Chapter, which was called HFTP PolyU student chapter that time was established in May 2007.*

*Nowadays, after ten years' development, it has been one of the most well-known student chapters in SHTM which offers various kinds of program and opportunity for its member to meet real senior persons, show their talent and learn more knowledge.*

# Interview Skill Sharing

Though the technology developed amazing fast and the hospitality industry changes every day, there still some kinds of skills that you will always need. Interview skill must be one of that. In 2017, we fortunately had Ms. Leung---the regional director of human resources, properties and clubs of the Hong Kong and Shanghai Hotels Limited (the company which owns Peninsula), Mr. Lew---regional director of the CFO Centre and Ms. Lai---the director of financial of the Intercontinental Hong Kong to deliver us a sharing section about the interview skills. They analyzed many different kinds of interview cases for various views, which really broaden the horizon and stimulate the thoughts of our students.

## Peninsula Hotel Visit

Peninsula Hotel Hong Kong which is always described the “World best hotel” is one of the most venerable hotels in Hong Kong. It has been enjoyed a great reputation for its facilities and services for a couple of

years. Located in Tsim Sha Tsui, Peninsula Hotel owns around 300 guestrooms and eight F&B outlets. In April 2016, HFTP organized a hotel visit visiting Peninsula Hotel. The participators have a more specific

understanding of the facility and the brand culture of Peninsula. Besides, it is really our pleasure to have an assistant controller of finance to giving a briefing about how the financial department works in Peninsula, which let us learn a lot of knowledge.

## Annual dinner 2016

HFTP Annual Dinner is an event organized by committee members and subcommittee of each year with the aim of encouraging communications and networking among journal students, senior students and the professionals from the industry. Students are given the opportunity to sit together with industry professionals for dinner and engage in various activities.

The theme for the annual dinner 2016 was The Alice in Wonderland. The decoration and the games are all based on this theme. The members of our student chapter have dinner with the professionals of the industry in a relaxed atmosphere. Thanks to our generous sponsors Peninsula Hotel, Panda Hotel, and Hotel ICON, every participant had the chance to win coupons from partner hotels and the Luck draw section make the dinner reach its climax.
